

ENVIRONMENTAL POLICY STATEMENT

Global Equipment Spares Ltd. (GES) and Sharp Screening Products Ltd. are committed to protecting the environment and improving environmental performance.

We recognise our responsibility to integrate environmental considerations into our business activities and decision-making, while delivering high-quality products and services to our customers.

Senior management is committed to the development, implementation and continual improvement of an Integrated Management System (IMS) aligned with the requirements of **ISO 14001:2015, ISO 45001:2018 and ISO 9001:2015**, and accepts overall accountability for its effectiveness.

Our commitments are to:

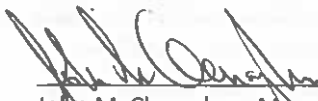

1. **Protect the environment**, including the prevention of pollution and the management of significant environmental aspects associated with our activities, products and services.
2. **Comply with all applicable environmental legal and other requirements** relevant to our operations.
3. **Continually improve the effectiveness of the Environmental Management System** to enhance environmental performance.
4. **Promote sustainable development** by integrating environmental, economic and social considerations into our operations and business planning.
5. **Conserve natural resources and minimise environmental impacts**, including waste generation and energy consumption, by encouraging the principles of Reduce, Reuse and Recycle.
6. **Engage and collaborate with employees, customers, suppliers, regulators and other interested parties** to promote environmental awareness and responsible environmental practices.
7. **Provide appropriate information, training and awareness** to enable employees to make environmentally responsible decisions within their roles.

Environmental objectives, targets and performance are established, monitored and reviewed to ensure alignment with this policy and to drive continual improvement.

This policy and associated Environmental Management System documentation are reviewed regularly to ensure continuing suitability, adequacy and effectiveness.

This policy shall be communicated to all employees, made available to contractors, suppliers and other interested parties, displayed throughout operational and reception areas, and published on the company website (www.ge-spares.com) for access by wider stakeholders and the general public.
